

NTHBA Officer Meeting Minutes for February 6, 2018.

In attendance were:

Kevin Smith, Zac Cathcart, James Smith, Walter Hodges, Steven Barsalou, Jimmy Orkin. Plus two member that I did not get names.

April Meeting at Oak Highlands brewery. Has a 2 drink minimum.

Lakewood Brewery would be a good club meeting place.

We need to have the elections on time in November.

The club needs to provide servers for the Bluebonnet Big Thirsty.

We also need servers at the keggerator during the Homebrew tasing.

We need to request beer in kegs to put in our keggerator for the BBO homebrew tasting.

Jimmy will check on Labor of Love this year. Does Deep Ellum want to do it again.

The keggerator needs its lines cleaned. Walter will work up a system to do the cleaning and clean the lines.

Brian Beyer of WMTS is good for keeping the BBO cooler at his store but he wants the cooler turned 90 degrees so the door faces out into the warehouse. James has ideas for using the cooler for Limbo entries.

James suggesting getting new artwork for the NTHBA and the Limbo Challenge.

With new artwork, T-shirts and/or growlers might be made.
