

NTHBA Officer Meeting Minutes for September 4, 2018.

We met at Steam Theory Brewing Co.

In attendance were James, Zac, Kevin, Walter, Steven, Fred, Sue, Chuck and Jimmy.

We talked about the Bluebonnet Hops and how to distribute them to the members. We also talked about setting up better rules for the medal category.

We talked about reimbursing club members that win medals in homebrew competitions in the Lone Star Circuit. The topic needs more discussion.

There is no plan for the Fall party yet.

Fred suggested buying a slim of a good Oktoberfest beer for the party.

Cheers.
